Key G

[G] [Em] [Am] [D]

[G] [Em] [Am] [D]
Some-times in the morning, when shadows are deep
[G] [Em] [Am] [D]
I lie here be-side you just watching you sleep
[G] [Bm7] [Am] [Bm7]
And sometimes I whisper what I'm thinking of
[Am] [D7] [G / /] [Em] [Am] [D]
My cup runneth over with love

[G] [Em] [Am] [D]
Some-times in the evening, when you do not see
[G] [Em] [Am] [D]
I study the small things you do constant-ly
[G] [Bm7] [Am] [Bm7]
I memorize moments that I'm fondest of
[Am] [D7] [G / /] [Em] [Am] [D]
My cup runneth over with love

[G] [Em] [Am] [D]
In only a moment we both will be old
[G] [Em] [Am] [D]
We won't even notice the world turning cold
[G] [Bm7] [Am] [Bm7]
And so, in this moment with sunlight a-bove
[Am] [D7] [G / /] [G / /]
My cup runneth over with love
